

Topic: Facility Planning Committee Service Request

Deadline: June 18, 2021

The McClave School Board of Education and Administration invites any persons interested in serving on a facility planning committee to apply with an email to boardofeducation@mcclaveschool.org by June 18, 2021. This committee will work with Wold Architects & Engineers, which is the facility master planning company hired by the McClave School District, to review existing facility conditions and discuss options for future facility plans.

Committee members will be required to commit to participate in approximately five meetings spanning from mid-June through October.

Emails should include:

- Name
- Best method of contact
- Association with the school (eg. Community member, staff, student)
- Whether or not you live or own property within the McClave School District
- Explanation of why you are interested in serving on a facility planning committee
- Commitment of availability on required dates

Community members, staff, and students are eligible to serve. Space on the committee will be limited to a maximum of 10 members and application is not a guarantee of service. Special consideration to being selected for the committee will be given to those who live and/or own property within the McClave School District.

Sincerely,

McClave School Board of Education and Administration
