ASBESTOS MANAGEMENT PLAN MADE AVAILABLE FOR REVIEW BY PARENTS, TEACHERS, EMPLOYEES, AND THE GENERAL PUBLIC.

Our district has conducted an extensive asbestos survey of all our school buildings. Based on the findings of this inspection, a comprehensive management plan has been drafted. This plan details the response actions that the district will be taking regarding asbestos containing materials found in our buildings.

This plan is available for inspection at our school office without cost or restriction during normal business hours after September 30, 1988. If you desire to have a personal copy, please notify the main office and it will be supplied to you within five business days at a cost of \$.40 per page.

Our administrative office is located at: 308 Lincoln Ave.(P.O. Box 1) McClave Co. 81057.

We have endeavored to make your school a safe place in which students can learn. Our procedures for dealing with this problem reflect that concern. Please contact the main office if we can answer any additional questions.

Sincerely,

Brianne Howe  
Superintendent
